Good morning business leaders!

Hoosick Falls Community Alliance Church is excited to announce that we will be sponsoring our second job fair on Tuesday, April 23, from 12-3 PM. This one day hiring event will take place at the Hoosick Falls Armory, 80 Church Street in Hoosick Falls, a highly visible location with lots of foot traffic and ample parking. We are looking forward to seeing many of you who participated last year and meeting some new folks, as well, and are especially excited that Hoosick Falls Central School students will be helping out this year!

Registration includes:

- Eight-foot space with 2 chairs (10-foot space is available for those with standing banners)
- Marketing and social media to promote the event in Hoosick Falls and surrounding areas
- Resume' workstations for job seekers, including help filling out on-line applications
- Lunch
- HFCS students will be bussed in this year!

Our flyer will be updated each week with logos of vendors who have registered, then posted on local and regional social media pages. We encourage early registration to save your spot and receive more visibility. Spaces will be given on a first-come, first-serve basis. This will also help with planning, as we had a full house last year. To reserve your space, send to pray4yougms@gmail.com.

We are excited to offer this opportunity for local businesses to connect with job seekers to help meet essential needs in our community and beyond. Our 2023 job fair was a great success and we are expecting even bigger and better results in 2024! Please know that we are praying in these weeks leading up to the event, for some great connections to be made that day.

We look forward to seeing you. If you have any questions, please call me at 518-390-4986 or e-mail me at pray4yougms@gmail.com.

Expectantly,

Gail M. Smith
